

# “I’m Lucky To Have You” Card Instructions

Feeling lucky doesn’t only have to come on St. Patrick’s Day! Every year on Valentine’s Day, I’m reminded time and time again about how blessed I am to have my family and friends in my life. As we celebrate a whole day of love, I always feel so very blessed to have each special person in my life. Thinking about how I’m loved and how I have people to love, truly makes me feel like the luckiest person in the world. I love this sweet pun, to remind people they are cherished.

## Supplies:

- 1 Sheet of White Paper
- 8 Glittery Foam Heart Cutouts
- Glue
- Black Fine Tip Marker

## Instructions:

1. Fold the sheet of paper in half
2. Arrange and glue 4 foam heart cutouts on the front cover of the card to create a “4 leaf clover” (you can create as many as you’d like).
3. Write “I’m Lucky to Have You” on the front of the card or create your own lucky little pun.
